ADMINISTRATION

Mr. McCarthy & Mrs. Sarkis

"It is easy in the world to live after the world's opinions: it is easy in solitude to live after your own; but the great man is she who in the midst of the crowd keeps with perfect sweetness the independence of solitude." ~Ralph Waldo Emerson

Congratulation to the class of 2016! While your time in BMF has presented many challenges, it has also provided much joy. Life is like that, plenty of obstacles and an equal amount of elations. Do your best to stay focused on the good and endure the difficult with grace. We have been very proud of each of you during your time here and know that as you go forward to forge your own paths that we will continue to remember fondly the days and years you have spent as part of BMF.

I for one, consider myself fortunate to have served as your principal for the last three years. All of you have helped me become a better teacher, administrator and person. Our goal while you have been here has been to help you understand and utilize your talents and potentials, however understand that while it may not have been your explicit goal, you have helped many of us in BMF improve our talent and potential as well and that is the secret to success, to help those around you become better people.

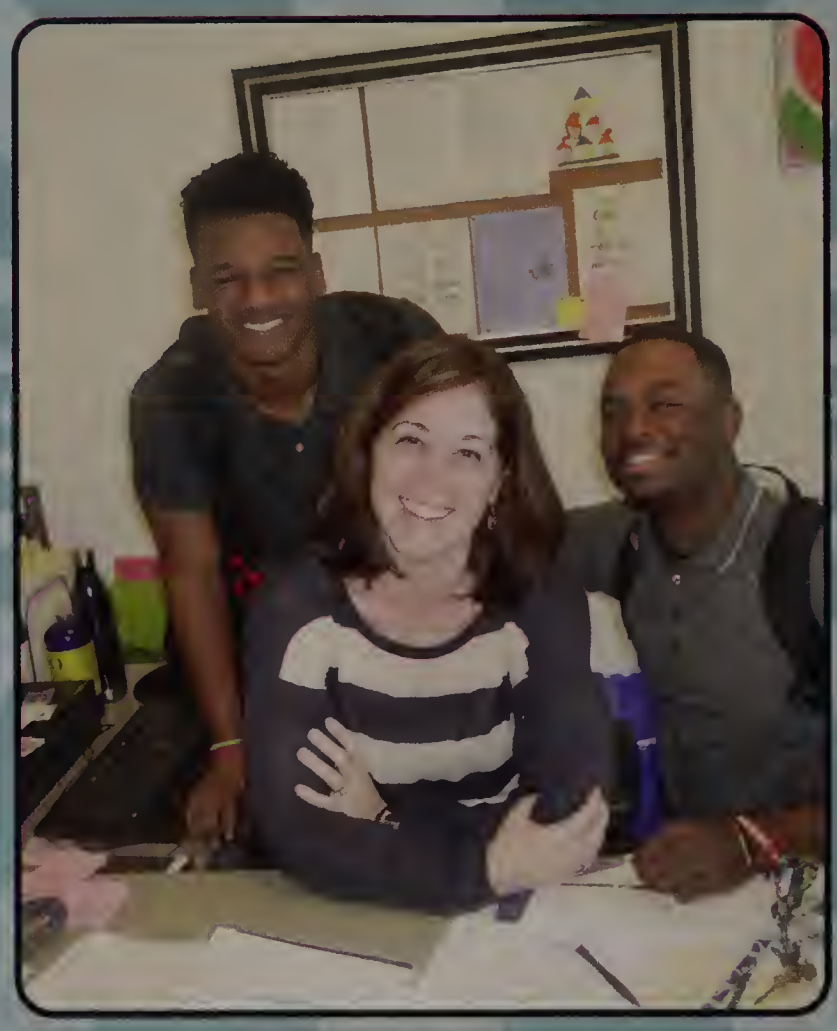
GUIDANCE



Mrs. McCarthy & Mrs. Brady

(Mrs. McCarthy featured above with Juan Gonzalez and Ismael Jenkins)

Dear Seniors,

It has been a pleasure working with all of you during her high school career at BMF. Remember as you move forward "to always reach for the moon and you will at least fall on a star." Continue to set high goals, work hard and never stop learning. We look forward to hearing about all your successes. Remember where you have come from and be proud of who you are.

Best of Luck,

Mrs. Brady and Mrs. McCarthy

Ms. O'Donnell

"Dear Friends,

This life is yours; take the power to choose what you want to do, and do it well.
Take the power to love what you want in life, and love it honestly.
Take the power to walk in the forest, and be a part of nature.
Take the power to control your own life, no one else can do it for you.
Nothing is too good for you!! You deserve the best.
Take the power to make your life healthy exciting worthwhile and very happy."
Take the power to reach for your dreams!!
